### **Great Bay Renewables Hires Peter Leahey as Managing Director**

*Former Goldman Sachs Vice President to Help Drive Growth*

**Portsmouth, NH (October 03, 2022)** – Great Bay Renewables (“Great Bay” or the “Company”) today announced it has hired Peter Leahey as a Managing Director for the Company. Mr. Leahey comes to Great Bay after spending the last 7 years at Goldman Sachs, most recently as a Vice President in the Investment Banking Division, Natural Resources Group. While at Goldman, Mr. Leahey worked on numerous renewable energy transactions, including multiple complex corporate and project level M&A transactions, financings and activism campaigns. He received his undergraduate degree from Colgate University and his MBA from NYU, Stern School of Business.

Commenting on the appointment, Frank Getman, CEO of Great Bay, said, “Peter is a fantastic addition to our team. He brings a wealth of knowledge and experience in successful renewables financings, which will be instrumental as Great Bay continues to accelerate the growth and adoption of our flexible, partner-like royalty financing.”

#### ***About Great Bay Renewables***

*Great Bay Renewables, based in Portsmouth, New Hampshire, provides capital to the renewable energy sector in exchange for royalties in renewable energy generating facilities at all stages in their life cycle. Great Bay’s management team has extensive experience in renewable energy development, financing, and operations across a range of renewable technologies located throughout the United States. Great Bay is backed by Altius Renewable Royalties Corp. (TSX: ARR) (OTCQX: ATRWF) and funds managed by affiliates of Apollo Global Management, Inc. (NYSE: APO).
